

## Home & School Listen with Interest to Health Speaker

The regular meeting of the Didsbury Home and School was held in the High School Auditorium on Monday evening with a very good attendance.

Mrs. Reid Clarke occupied the chair in the absence of Mr. C. R. Murray, and the meeting opened with O Canada and the Home and School prayer.

Reports were given from the Treasurer, membership and social chairman.

Mrs. Clarke gave a very interesting report on her trip to Banff as delegate to the Alberta Federation of Home and School.

Highlight of the evening was the address given on "Infectious Diseases" and a film shown by Dr. Keyes.

### MIDLAND H & S PLAN JUNE PICNIC

At the May meeting of the Midway Home and School a June picnic was planned. The Lone Pine hall board offered \$25.00 for prizes. Bancroft W.I. and Lone Pine W.I. will discuss donations at their next meeting.

Mrs. Winnie Bittner, the delegate to Banff gave a very interesting report on her trip. The resolutions discussed were most interesting and many of them will be taken up at the next meeting.

Midway Home and School received its charter at a ceremony at Banff and Mrs. Bittner presented it to our president, Mr. Harder who is to have it framed.

The memory contest was won by Elsie Brander for the ladies and Harry Richardson for the men. The annual meeting is June 6th.

### FALLEN TIMBER

(From Our Own Correspondent)

Miss Margaret Money and Mrs. Ben Teynor were Calgary visitors Friday.

Congratulations to Mr. Mr. Clifford Berscht who are the parents of a baby boy.

Congratulations also to Mr. and Mrs. Earl Loughhead who have a baby daughter.

Mr. H. Howton has returned from the Didsbury Hospital where he has been a patient for three months.

Miss June Money spent the weekend at the home of Miss Anne Marie McGaffin.

Mr. and Mrs. T. O'Shea are visiting at the home of Mr. and Mrs. S. Morrison.

The May meeting of the Busy Bees was held at the home of Mrs. Jennie Dick. It was decided it would be necessary to have a Food Table at the School Picnic as usual to pay for the ice cream.

Ladies to bring two articles. It was also agreed to have the Fish Pond for the children as usual.

A 10c draw was held with Mrs. W. Stringer the winner. Everyone joined in singing "God Save the Queen" after the business session and a delightful lunch was provided by Mrs. Roberta Stair and Mrs. Louise Money.

A number of the parents from the district had their children inoculated for Polio Wednesday. We would appreciate more definite word before the next injection as some didn't know until the last moment and were therefore unable to attend.

Church was not held Sunday, May 1 due to the bad roads preventing the pastors getting out from Calgary. However regular services have begun again now that the roads have improved so greatly.

## IMPORTS OUTSTANDING PIG FROM ONTARIO

E. N. Boettger received shipment the past week of a purebred male weaner pig from Dr. Knox of Owen Sound, Ontario. The pig was born Feb. 28th from a thousand pound sow and tipped the scales at 64 lbs. on arrival here. This outstanding breed of large English white Yorkshire pigs, when born weigh around 4 lbs. instead of the usual 2 1/2 lbs. and feed out a month sooner and grade out extra well.

### M.V.B.C. NEWS

(From Our Own Correspondent)

Friends of the Taylors will be happy to know that they are having a wonderful time in Kitchener. The people of the church have opened their hearts and homes to them.

Even Sherrill is being royally entertained by the small fry. They will hold special meetings in Port Hope Ontario beginning with next week. They will return to Didsbury a few days the beginning of June.

David Archer is in Didsbury for the week before taking up work with the C.P.R. on the run between Winnipeg and Vancouver. This will be an interesting job for David. Harley Deck and Edward Oak are working in the city with many opportunities this summer, namely Banff. They are working with a milk company and will try also to pick up a few extra hours of work as well. Harley will be returning to the College in the fall to complete his Bible Diploma work while Edward has registered with the University of British Columbia in the Engineering faculty. We wish them good luck and lots of work this summer.

On Monday evening the friends of Miss Jean Cowitz and Mr. Donald Burgess held a miscellaneous shower for them in the college. They will be married Wednesday afternoon at 4 p.m.

Arthur Eby and his father are busy engaged in renovating the cellar under the college house used for the caretaker. It has been caving in quite badly. Some funds have come in for this bit of very necessary work.

Miss Gladys Eby entertained Mr. Didsbury on Mother's Day.

Miss Mary Walsh who has been staying at the College last week has returned to her home in Madden. She and Mrs. Ward Eby and family for will be in Didsbury again for several days this coming week doing some sewing for friends. She is busy engaged making arrangements for her Palestinian tour this summer.

It is time for scheduling, etc. We trust that our many friends will remember to put out a wee bit more of everything so that they can help us fill up the next collar in the fall.

We do so much appreciate this help each year, and without it we would find it most difficult to get along. Thank you for the past and the future, friends.

### ZELLA NEWS NOTES

(From Our Own Correspondent)

The April meeting of the Zella W.I. was held at the home of Mr. Henry Harder. Eleven members and two visitors braved the mud and snow to be there. The roll call was Sing, Say, or Pay \$5. There were some interesting songs, poems and bits of sage advice.

Arrangements were made as to who would take cookies, cake, sandwiches and etc., to the tea and display of handicraft to be held in the Lions Hall on Saturday, May 7th.

Tea served from 3 to 5 p.m. in the Masonic banquet room. All articles of Handicraft to be judged should be in at the hall at Mrs. Long by 10 a.m. and the food should be in by 11 a.m. at the hall. Miss Dixon thought she would be ready to give her decisions and talk by 1:30 p.m.

It was decided to send two delegates to the convention in Edmonton if they can go.

The motion was made that the Zella W.I. donate \$50 to help pay for the school.

The resolutions to be brought up at the convention were read and discussed.

Our visitors Mrs. Lloyd Chandler and Mrs. Adam Konchewich very kindly judged the ten biscuits and explained their reasons for judging as they did. Mrs. Wilfred Spooner won first with some very nice biscuits.

Mrs. Ed Waldrorf had the bit of fun which was a contest to see who could list the most articles moved around in the room while they were all out in the kitchen. Mrs. Holgar Christensen won first.

The next meeting to be at Mrs. L. O. Johnston in the evenings in the hall.

At the close of the meeting a lovely lunch was served by the hostess and her helpers.

## Little Sir Echo Lost in Maze of Egg Crates

In order to completely take away any "bounce back" from the new cinemascope sound at the Opera Theatre, Rex Bussard, with his ingenious mind has contrived a pattern of paper mache egg crates on the walls and behind the screen that do the job.

Artistic as well as useful over 1,000 egg crate holders have been utilized in pattern formation and according to Rex they work well.

Many have had opportunity to witness the cinemascope productions that have been playing and without fear or favor we believe we can say that the reproduction and sound are almost perfect.

Didsbury is fortunate in having theatre operators who take the time and the interest to bring such equipment to the community. For it is only in the much larger centre that this has taken place.

### HIGHLAND NEWS

(From Our Own Correspondent)

Mr. and Mrs. Johnny Howton and family were supper guests with Mr. and Mrs. Robert Moore on Tuesday.

Mr. Wahl is having some bulldozing and brush cleared on his farm which makes it look more like prairie.

Mr. and Mrs. Earl Loughhead are the proud parents of a baby daughter, Lynn Marie, a sister for Lenard.

Mr. and Mrs. Loughhead are doing fine but it is not known for sure whether the father will survive. Congratulations folks!

Congratulations are also in order for Mr. and Mrs. Ben Rafter former residents of this district now living in Calgary. They have a new daughter also, born April 25th.

At the Eddie Adams home Thursday afternoon were Mrs. Daphne Adams, Debbie and Cathy.

Mr. and Mrs. Shirley Admussen and Mrs. Dorothy Moore.

Mrs. Wayne Striner attended the home of Mr. and Mrs. J. H. Dick on Tuesday.

Mr. Alex Hogg was a visitor in the district on Thursday. He informed us the maintainer would be around in a day or two which is certainly useful.

### Second Round Polio Shots Start May 20th in District

With announcement that the second dose of Salk polio vaccine will be given the latter part of this month in the district, it is interesting to note that there will be about 500 children receiving the vaccine in the area served by this branch of the Mt. View Health Unit.

These recipients, the initial shots in Grades I and II and those who will be starting school in September.

In accordance with the latest recommendations of the Dominion Council of Health, the second dose of this vaccine will not be given four weeks after the first dose, and NOT two weeks after as was previously announced.

A number of the staff of this Health Unit will attend the following schools on the new dates and times as shown below:

School children and September 1955 beginners will be done at the same time.

Olds school, May 27th, 10-12 a.m. Didsbury, May 28th 10-12 a.m. Sundre, May 28th, 10-12 a.m. Carstairs, May 28th, 10-12 a.m. Cremona, May 28th, 1-3 p.m. Crossfield, May 28th, 10-12 a.m.

Announcements about the third dose and "boosters" will be made at a later date and the vaccine will probably be given about December.

The above information is supplied through the courtesy of D. N. Keys, M.B., D.P.H., Medical Officer of Health.

### SPRINGSIDE NOTES

(From Our Own Correspondent)

On Thursday, May 5 a card party and business meeting was held at the Springside hall. First prize went to Mrs. Phil Collinge and Johnny McDonald won second prize to Robert McDonald and Allan Roth who played as a lady. Mrs. Dave Janzen was the winner of the travelling prize.

The next meeting will be held on Tuesday, May 17th at the home of Mrs. Lawrence Chandler.

Mr. and Mrs. D. R. Corbett of Calgary were week-end guests at the home of Mr. and Mrs. Bud Collinge.

Sunday dinner guests at the Bill Collinge home were: Mr. and Mrs. Art Taylor and family of Acme; and Mr. and Mrs. Vera Wrigglesworth.

### FINE TRUCKERS \$1,000 FOR DISOBEDIENCE OF ROAD BAN RULES

James & Reimer, truckers of Calgary paid the M.D. of Mountain View \$1,000 early this week for damages to the road east of Olds, occurring last Sunday when they tried to run the gauntlet on the municipal road with four loaded trucks.

Carrying drill pipe, the trucks were on their way through M.D. 49 to another municipality, when they were apprehended by Councillor E. Dodd.

Damage to the road was extensive when they tried to winch their way down a coulee and up the other side.

The money was received by cheque Monday.

No settlement was reached between the M.D. of Mt. View and M.D. of Calgary No. 44 on change of assets involved when the boundaries of the municipality were changed.

Most of the disagreement came over road machinery.

### SCHOOL MILL RATE SET AT 27 1/2 MILLS

The regular monthly meeting of the Olds School Division No. 12 held Tuesday, May 3, in the school division office in Didsbury.

The budget for 1955 was reviewed and approved. The Board, by bringing the requisition bill rate down to the required 25 mills was able to secure the full subsidy grant from the government.

The grants for the coming year will amount to 280 thousand dollars, which means the government will be paying 42% of all educational costs in the division in 1955.

As a result of these grants the basic School Division mill rate will be 25 mills plus 2 1/2 mills allowed to take care of capital for buildings.

In very poor years the school mill rate is definitely set for 27 1/2 mills; 1955 a decrease in taxes of 5.69 over 1954.

It was reported that bids were accepted for a good portion of the land and buildings which were recently tendered. The board was pleased at the response to these tenders and feel very fair prices were received for properties on which the bids were accepted.

"Your sale in my hands means money in yours."

latterly in the acceptance of the Olds School Division of the tender by the community for the site and premises.

Last Sunday morning, the minister gave the Easter message and the choir from Didsbury gave their Easter concert and our hearty thanks are due to them for their spirit in giving such a treat, so acceptably to us. Thank you one and all and praise God from whom all blessing flow.

## Campaign Opens

The 1955 Red Shield Appeal of  
 the Salvation Army is now under  
 way throughout the Province with  
 objective of \$1000,000. This at-  
 mount is necessary to operate its  
 eight large Institutions and twenty-  
 one other centres of work through-  
 out the Province. The Salvation  
 Army continues to serve the unfor-  
 tunate of every race, color and  
 creed through its phases of social  
 welfare and spiritual work. During  
 the last year the Organization ex-  
 panded and improved its properties,  
 thus enabling it to better serve those  
 who appeal for its help.

The campaign at Didsbury will  
 commence this week and is spon-  
 sored by the Lions Club, with Mr.  
 George Law as Chairman, Mr. C.  
 E. Reiber as Treasurer, and Mr. A.  
 W. Reiber, Secretary, assisted by  
 Mr. George Thining. Contributions  
 may be left at the office of th  
 Reiber Brothers. Receipts for do-

## Notes From D.A.

By HOWARD J. FULCHER

In the seeking and establishing of  
 a forage crop either for pasture or  
 hay production care should be ex-  
 ercised. The cost of seed is quite high  
 and the crop will be in production for  
 a number of years.

Land to be seeded to forage crops  
 should be well prepared, the seed  
 bed firm and relatively free from  
 weeds. In some cases where land  
 becomes very loose when cultivated,  
 it may be advantageous to seed the  
 forage crop directly into the stubble.  
 The mortality of small grass and  
 legume seedlings in loose soil is high.  
 It is just as important with grass  
 and legume that the seed be of a  
 high quality, free from weeds and  
 that it be treated as in any cereal  
 seed.

The depth of seeding is important,  
 the seeds being very small  
 should not be seeded to a depth of  
 over one inch, often surface seeding  
 and covering with harrows or packers  
 will give the best results.

The rate of seeding varies greatly  
 but for hay and pasture production  
 mixture of legumes and grasses of  
 about twelve (12) pounds per acre  
 is a fair average.

The question of a companion crop  
 of nurse crop is often brought forward.  
 If a companion grain crop is not  
 used no returns from the field will  
 be realized the first year. The com-  
 panion crop also gives the protection  
 to the soil in the growing season and  
 the stubble gives winter protection.

The companion crop will cut down  
 forage yield the first year due to  
 competition for moisture etc., but  
 does not appear to make any effect  
 on yield the following years. It  
 would therefore appear under con-  
 ditions here that a companion crop  
 should be used, however the rate of  
 this seeding should be reduced by 1/3  
 the usual rate used.

In the first years of a seeded pas-  
 ture do not over graze to an extent  
 covered handling in the first years  
 is important if the seeded fields  
 are to keep producing at high levels.

## Planting Trees

Over 900,000 trees and cuttings  
 were shipped to 1,355 Alberta farm-  
 ers this week. In planting trees,  
 P. D. McCalla, Alberta supervisor of  
 horticulture, says that good topsoil  
 should be packed firmly around the  
 roots of the trees and then they  
 should be watered. The cuttings  
 should be planted at an angle of 45  
 degrees with one bud left above the  
 ground. Like the trees, they should  
 be watered after planting.

It is interesting to note the results  
 of a survey made last year among  
 prairie farmers who have planted  
 trees. Out of 212 farmers who filled  
 out the questionnaire not one was  
 sorry he had planted trees. Eighty-  
 two per cent of the farmers were  
 sure their crops were greater be-  
 cause of the shelterbelts and 56 per  
 cent reported a decrease in water  
 erosion.

**ES SIR SOMETHING ABOUT THE WEATHER**  
In all the years that man has arrived on this old planet, there has always been the story "That can do nothing about the weather". That adage is now fast losing its real meaning. Those who attended the hail suppression meeting on Thursday last will soon know that. The organization which is sponsoring the movement in Alberta is their very existence to the fact

that they are "doing something about the weather." Whether it be hail suppression, rainfall or cultivation of weather data for forecasting, science today has their hands on the neck of the weather. Perhaps they may be soon be able to say, May 24th 1955 will be sunny and warm, or name the date you want to see what we can do about it. The very descriptive presentation of the weather by the speaker Thursday only gave us an

inkling of what is happening in the battle of science versus the elements. We couldn't help but think after he had finished just how much silver jollide have the "Hoosers" been letting loose in the clouds in the arctic and eventually drifting to us in the form of snow this spring.  
Yes, the weather may some day be one of man's least problems and we may be able to order it up to whatever we are growing.

**NEWSOM DOESN'T KNOW**  
To take over a public relations business like a newspaper without knowing too much about the people and businesses kind of puts one of the "Hoosers" in a predicament. "Newsom doesn't know, he's from Oids." Be that as it may, probably this guy Newsom does know something about your town. It features "For you see Newsom is not a name strange to Didsbury. L. C. Newsom worked here in the days of Mr. Omond. His sons and daughters for the most part were born in Didsbury and raised here a little people. They remember the big fire, the old black cat they had the little white house they lived in, the name of some of the people of that era. They remember too Didsbury as a good town. And it still is a good town. With its numerous churches and social activities. I speak well for the people, who have based their living on something more than gold. It has a sports section too, but we incline to believe this could be even better and larger. I am enthusiastic, witness its service clubs. Oh, yes, Newsom does know something about your town. Perhaps not as much as he should for the job he is doing. But he's willing to learn, if you'll help."

**THE BUTTE**  
Situated as it is just west of the town the Butte affords a view that is seldom found in some towns. Within a short walking distance of the town, here one can visualize a park that could have no equal. Planted and cared for by organization, this area could become a real attraction for many. Before the towns between Calgary and Red Deer grew to such an extent that they forget it might be wise to set aside many park areas, so that none are too far from the town itself.

**KIDDIES PLAYGROUNDS**  
Two weeks ago an article in this paper carried an item about Kiddies Playgrounds. To this end we would add this comment. That action speaks louder than words. That one swing or one teeter-totter is better than a thousand meetings. We have seen such projects shelved because lack of action. Now is the season to get some concrete proposals down and go to work on them. No time project can draw the attention of the citizenry. For out from this shall come joy of young hearts, the boundless energy that must be given a chance to play, and the imagination of a child that soon becomes a community leader. Let the children have a part too. Give them the job of beautifying the playground and keeping it that way. We are all for kiddies' playgrounds. They serve a need and help build a nation's children into normal and interested adults.

## Through The Study Window

By REV. C. C. ARMSTRONG  
Sunday May 15th has been designated as "Rural Life Sunday." It comes, supposedly, in the middle of seeding-time, and thus has such special significance as a reminder of the source of all our food.  
Probably the thing uppermost in the mind of rural people at this time is the delayed season, and its effects. If in addition to a late start in the spring, there should come destructive hail in the summer, the year could turn out to be a difficult one for many.

The interest in hail suppression methods, may result in something being done to change conditions. I think the municipal and provincial governments should undertake to provide suitable grants to defray the costs of such a venture. This is tried out on a sufficiently large scale and over an extended period of time, there will be uncertainty about its value. But unless it is tried, where hail is prevalent, and is proven to be either a failure or a success, we will be none the wiser. The Scriptures remind us that "Ye shall know the truth, and the truth shall make you free." If we learn that hail suppression works, it will make us free of the danger of further investments in a dubious venture.

Various attempts in this field, in other places, have given very interesting results, and it appears that it is possible to promote rain or other forms of precipitation. Now should this be interpreted as unjustified interference with the established or Divinely Ordained forces of nature. We build smudges to ward off mosquitoes, blow up ice jams, dam up,

rivers, and all other things that seem to be necessary. We even build roads, and are highly annoyed when, after thus interfering with nature by importing gravel where none was to be found, the roads revert to their original muddy condition.

Faith in God's purpose to provide our needs does not mean that nothing is up to us. Rather it means that we are to work together with Him for the accomplishment of His purpose. If we think that we are justified in producing ice cubes, by synthetic means, in a fridge, we certainly ought not to hesitate at a method which would reverse the process outdoors and destroy the cube. Thus theology, science and common sense all indicate that something should be done to eliminate the source of hail.

**JACKSON W. I.**  
The April meeting of the Jackson W. I. met at the home of Mrs. S. Owens, with eighteen members and one visitor present.

Roll call was answered with an exchange of slips and seeds. Mrs. S. Owens the citizenship convention read an interesting article on the life of a Ukrainian woman living in Canada. For her five minute talk Mrs. J. Olson brought out the highlights of her trip to Ottawa. It was decided to send a delegate to the conference to be held in Edmonton. Mrs. A. Robertson, the president was nominated to attend.

A banquet contest was held, Mrs. W. Feiler taking first prize and Mrs. J. Roy second prize.  
The next meeting will be held at the home of Mrs. W. Owens on May 25th.

## HOW MANY MINUTES PER GALLON?

Of course, you **don't** have to make gasoline yourself. But you **do** have to work at your job to make the money to buy gasoline. And today you don't have to work nearly as long as you did in 1939, or even 1946.

Back in 1939, the average Canadian had to work **33 minutes** to earn enough to buy a gallon of gasoline.

Seven years later, in 1946, the same Canadian had to work **29 minutes** to earn enough to buy a gallon of gasoline.

Today he has to work only **17 minutes**—about half as long as in 1939—to buy a gallon of gasoline.

(It's much **better** gasoline, too. Two gallons of today's gasoline does the work of three gallons made in the 20's.)

## Money in the bank

Millions of Canadians know the value of a bank account—the security and comfort it brings, the peace of mind it assures, the enterprise it makes possible.

When you keep your money in a chartered bank you know it is safe. And you are dealing with friendly, experienced people, skilled in the management of money and anxious to share their knowledge with you.

There is a type of account to suit your purpose, some designed to help you accumulate funds, others featuring the convenience of chequing.

Your local branch bank provides these and many other services. It is much more than a handy, safe place to keep money. It is a banking service-centre where you can count on prompt and courteous attention to all your banking needs.

### WESTCOTT NEWS

(From Our Own Correspondent)

Mr. and Mrs. W. B. Boser and Mr. and Mrs. Alf Baudistel attended the funeral of their uncle in Calgary last Thursday.

Mr. B. Reinhardt is receiving medical aid for blood-poisoning in his finger, we understand he has been very sick with it.

Mr. Les Goetjen has returned to the north country where he has employment on a Seismic crew.

Mr. and Mrs. Donald Reinhardt of Calgary were Sunday visitors at the home of the former's brother Mr. and Mrs. B. Reinhardt, as was their parents, Mr. and Mrs. Clarence Reinhardt from town.

We are glad to report Mrs. Baudistel Sr. is much improved in health after being sick most of the winter.

The roads being so bad last week in towards Didsbury most of us had to detour in around by the way of Carstairs to get to the town of Didsbury and many have not got to town to shop for six weeks or more, it's just been an awfully bad spring.

### FALLEN TIMBER

(From Our Own Correspondent)

Four carloads attended the program put on in the Didsbury United Church Friday evening by the Didsbury W.C.T.U. Children who took part from the district were: Miss Patsy Morrison, Donnie Morrison, Anne Marie McGaffin, June Money, Harold Teynor, and Danny Howter. A special thanks is also extended to Mrs. Dave Janzen who offered lunch to all who came in so far.

Congratulations are extended to Mr. and Mrs. Barry McMillen who are the proud parents of a baby boy. Mr. and Mrs. Bob Moore, Judy and Brian, and Mr. Billie Moore were visitors at the home of Mr. and Mrs. J. Howton and family, Sunday.

Miss Margaret Money spent the weekend at her home in the district.

Despite the muddy roads a good number showed up to work on the church. A special thanks to Grandpa who gave a helping hand by carrying boards and spreading cheerfulness, even though he has been on the sick list for some time.

Congratulations are also extended to Mr. and Mrs. Glen Cooper now of Calgary formerly of this district who are parents of a baby boy.

Mr. and Mrs. S. Morrison and family visited a short time Friday evening with Mrs. Long in Didsbury. Mr. and Mrs. Money had the misfortune to have one of their baby calves killed by coyotes.

Mr. Dean Staj and Allen were visitors at the Joe McGaffin home Sat.

### South West Didsbury

(From Our Own Correspondent)

Mr. Arthur Reinhardt, son of Mr. and Mrs. D. Reinhardt of Carstairs who has completed his R.C.M.P. course is now on duty in Ottawa.

Miss Grace Hunsperger spent the weekend with Mr. and Mrs. Lynn Hunsperger and family.

Mr. and Mrs. B. Brears of Calgary were Saturday supper guests of Mr. and Mrs. Jack Edwards and family.

Mr. H. W. Polkmann was a business visitor to Edmonton Wednesday.

Mr. and Mrs. Jack Edwards and family were Sunday dinner guests of Mr. and Mrs. E. Reiner and family of Carstairs.

Mr. and Mrs. Verdo Sherrick, Mr. Ormond Sherrick and Miss Phyllis Traub were Sunday dinner guests of Mr. and Mrs. Lynn Hunsperger and family.

Mr. and Mrs. C. Stockburger and family of Hartman and Mr. and Mrs. B. Brown and family were Sunday dinner guests of Mr. and Mrs. M. Dippel and Carole, Miss Janet Brown was an over night guest.

Mr. John Tideworth and Miss Fern Eckstrand and Mr. Bud Chaffin attended the Graduation of the Holy Cross Nursing Class exercises of which Miss June Klinek was a member. The reception followed at the Lone Supper Club.

### WESTERDALE NEWS

(From Our Own Correspondent)

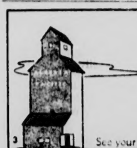

A dance will be held at the hall this Friday, May 13, with Dale Allen's orchestra in attendance. Come and try out this new orchestra.

Thirty relatives and friends and five children attended a farewell party Thursday evening at the home of Mr. and Mrs. F. J. Jackson for Mrs. A. R. Pihl and daughter who are leaving for Europe to join her husband L.A.C. Pihl who is stationed at Soellinger, Germany.

Mrs. A. Pihl and daughter Debra left on Saturday and will travel by train to Quebec, where they will embark on the Homeric and sail on May 11th for La Haine, transferring again to train to complete the journey to Soellinger. Mrs. F. J. Jackson accompanied her daughter to Montreal. Mrs. W. Wigley travelled with them to Calgary.

Mr. Bill Wigley has been visiting at the home of Mr. and Mrs. F. J. Jackson for the past few days.
